Music Competition

The music competition encouraged students to explore and develop a relationship with the music of the Renaissance (music prior to 1650). Students were encouraged to utilize creative combinations of instruments, however no instrumentation was required.

For the music competition, students were able to compete in Madrigals and Minstrels. Madrigals (a minimum of five people) presented six- to ten-minutes of Renaissance music. Minstrels (one to four people) presented three- to seven-minutes of Renaissance music.

Technical Theatre Competition

The final competition was in the technical theatre area for students who work behind the scenes creating sound, lighting, props, scenery, and costumes.

In the portfolio area, students were given the chance to have their technical and/or design portfolios evaluated by professionals in technical theatre. The best portfolio per division was honored, and the best overall portfolio was awarded a $1,000 scholarship to SUU.

In addition, technical theatre students were able to compete in Tech Olympics, with a $50 gift certificate from General Theatrical Supply awarded to overall team winners in each division, based on timing, execution, and accuracy.
