**SPECIAL RULES FOR HOME CANNING**

Canning rules are based on safe food preservation guidelines from approved sources (National Center for Home Food Preservation (NCHFP), USU Extension and Pacific Northwest Extension, USDA, and Ball Canning). See <http://nchfp.uga.edu/>, <http://extension.usu.edu/canning/>, or <http://www.freshpreserving.com/>.

For state recommendations for County Fair Canning Guidelines and appropriate altitude adjustment chart visit <https://www.ironcountyfair.net/fair-events/exhibits/> scroll down to the canning tips and information section.

1. Only products of home kitchens are eligible.
2. Products entered must have been prepared (by the person entering them) since the last state/county fair. Older products will not be accepted.
3. **REQUIRED:** All jars must be labeled and attached to the bottom of jar. If sweeteners other than sugar are used, include on label. Labels are available in advance from USU Extension Office or on the ICF website.

4. All entries must be in clean, standard canning jars (e.g. no mayo jars, small size baby food jars or colored jars) with new, single-use two-piece metal lids and rings.
5. A one-quart or pint jar constitutes an exhibit for fruit, vegetables or meat.
6. One standard-size canning jar constitutes an exhibit for preserves, conserves, pickles, and relishes.
7. One pint or 1/2 pint jar with lid constitutes an exhibit for jellies and jams.

8. Exhibits should be processed using safe canning methods. Good examples of Utah State tested recipes would include, USDA, Ball, pectin brand name or NCHFP guidelines. Processing adjustments for altitude, time or pressure must be made and explained.
9. All fresh fruits, jams, jellies, pickles and relishes must be processed in a boiling water bath and properly sealed. Entries processed in a steam canner will not be accepted.
10. No frozen jams or wax seals will be accepted. The presence of mold disqualifies a product.
11. All meats and vegetables must be processed in a pressure canner.
12. The exhibitor is requested to loosen the ring on the jar (so judges can remove ring and examine the head space)
13. Exhibitors are limited to **20 total exhibits in Canning.**
