

SWALLOW/KRISPY KREME MEETING

1 JEREMY JOHNSON: Hey. Geez, what a pain in the ass.
2 How are you?

3 JOHN SWALLOW: Good. How are you, man?

4 JEREMY JOHNSON: I mean, they moved the exit up further
5 so I was just kind of moseying along not paying, you know --

6 JOHN SWALLOW: I know it. They do that. Anything
7 else? If you were you on the wrong side --

8 JEREMY JOHNSON: Yeah.

9 JOHN SWALLOW: -- you can't get over.

10 JEREMY JOHNSON: And then you go down, you know, the
11 next exit's the one where you go to the airport.

12 JOHN SWALLOW: Right.

13 JEREMY JOHNSON: I get off there, I make this whole
14 windy loop thing around, and I can't get back on the
15 freeway.

16 JOHN SWALLOW: Well, have a seat. How are you then?

17 JEREMY JOHNSON: What's that?

18 JOHN SWALLOW: How are you?

19 JEREMY JOHNSON: Good, actually, to be honest with you.
20 I mean, as far as me personally, my family and everything,
21 I -- I'm in great shape. Um, you know, I feel like as far
22 as my case is going, I feel like Ward got kind of sucked
23 into this by the FTC, you know. He charged me with one
24 count a year ago. He can't go to court. So every time we
25 got a hearing it's Judge, I'm having some evidentiary

1 problems, you know, we need to continue this, and so I don't
2 know. You know, he told -- when I got arrested he told
3 Travis Marker, he says, you know, we'll have a trial in 90
4 days because he got fed this whole line from the FTC oh, we
5 promise, don't arrest him, we'll give you all the evidence
6 and everything else and so.

7 I just -- I just -- I -- I feel like, um, I feel
8 like that where my case is is that the government -- I feel
9 like that the government is, um, at least the DOJ here, is
10 in a position where they've already made the charge and
11 they've made the claims and everything else, and what are
12 they going to do now. Do you know what I'm saying? So.

13 JOHN SWALLOW: What are they going to do to you?

14 JEREMY JOHNSON: Yeah, you know. What are you going to
15 do? Drop the charge? Oh, sorry we ruined your life and --

16 JOHN SWALLOW: Yeah.

17 JEREMY JOHNSON: -- said all this stuff in the
18 newspaper, you know. So I don't know.

19 JOHN SWALLOW: I don't either.

20 JEREMY JOHNSON: What would you do if you were me?

21 JOHN SWALLOW: You got to defend yourself.

22 JEREMY JOHNSON: Well, that's what I keep trying -- I
23 been trying -- keep trying to get a trial and they keep
24 delaying it, you know. So, I mean, there's only one reason
25 the government delays the trial, you know. You're the

1 Attorney General's Office. What happens when -- what is --
2 what is a reason? You guys don't delay trials. You get the
3 evidence, you make the arrest, and you go to trial.

4 JOHN SWALLOW: Yeah.

5 JEREMY JOHNSON: So when you're delaying a trial, that
6 only means one thing.

7 JOHN SWALLOW: I don't understand. I don't understand.

8 JEREMY JOHNSON: Um, okay. I talked to Scott. I think
9 he's going to have to have at least 175. But I think what
10 we've gotta explain to Richard is he, you know, I don't know
11 how Richard looks at this, but there was noth -- nothing
12 happened. We got promised the world and got zero in return.

13 JOHN SWALLOW: That's what I wanted to straighten out
14 with you, because I thought I was right that I know you and
15 I had a meeting with Richard, but what I -- the only meeting
16 I was ever in with you and Richard was when we were talking
17 about your (inaudible) opportunity. When I found out,
18 because I called Richard and he said --

19 JEREMY JOHNSON: Just -- just since we talked?

20 JOHN SWALLOW: He said -- yeah. He said that
21 Whittingham guy was there when I met with Jeremy about this
22 FTC matter. And, Jeremy, I've never met Whittingham because
23 I didn't think I was involved in that meeting. I just want
24 you to know between us --

25 JEREMY JOHNSON: Whittingham? Brady Whittingham?

1 JOHN SWALLOW: Brady Whittingham was there and I wasn't
2 there. I don't -- I don't even know Brady Whittingham.

3 JEREMY JOHNSON: Have you looked through your e-mails?

4 JOHN SWALLOW: No.

5 JEREMY JOHNSON: You've sent me an e-mail about it.
6 I'm telling you you were --

7 JOHN SWALLOW: I would like to see it because I do not
8 remember ever having a meeting where I --

9 JEREMY JOHNSON: I thought I gave it to you.

10 JOHN SWALLOW: -- sat down with you guys.

11 JEREMY JOHNSON: I thought I gave it to you, Jason.

12 Maybe I didn't.

JASON PETERSON? OR DOES HE CALL SWALLOW JASON?

13 JOHN SWALLOW: I don't know.

14 JEREMY JOHNSON: I'll -- I'll give it to him if you
15 want.

16 JOHN SWALLOW: Okay.

17 JEREMY JOHNSON: Um --

18 JOHN SWALLOW: Because I don't remember that meeting.
19 And -- and all I remember was I was asked to make sure that
20 you knew that they couldn't promise any results. And I
21 think what happened was -- and I don't know. See, you said
22 you had another meeting where they did, but I wasn't there.
23 So I just want you to know --

24 JEREMY JOHNSON: John, this is not going to match up
25 with what the e-mails are.

1 JOHN SWALLOW: The what?

2 JEREMY JOHNSON: The e-mails.

3 JOHN SWALLOW: Well, that's fine. I'll look at the
4 e-mails, but I --

5 JEREMY JOHNSON: Um, okay. Part -- the reason that
6 Scott's so pissed off is that the money that we gave Richard
7 was all the money we had for our attorneys, and you assured
8 me this is what we needed to do to get the issue taken care
9 of. And so --

10 JOHN SWALLOW: See that's where -- that's where -- as a
11 friend, I want you to understand that I thought that if
12 anybody could do it, these guys could.

13 JEREMY JOHNSON: I -- I -- yes.

14 JOHN SWALLOW: But I didn't know for sure anything
15 could be done.

16 JEREMY JOHNSON: No. I understand. And you didn't
17 say -- you didn't say, Jeremy, you know, this is a
18 guarantee, but it was -- like, this is how I had to -- I
19 reiterated the conversation, I don't know if it was by
20 e-mail or phone or whatever, to Scott, I haven't talked
21 about these details --

22 JOHN SWALLOW: Right.

23 JEREMY JOHNSON: -- that this is -- this is what we
24 need to do, I talked to John, and I'm telling you this is
25 the best route for you to get this resolved. Here nor

1 there. Here nor there.

2 JOHN SWALLOW: Right.

3 JEREMY JOHNSON: The issue is -- is the main thing
4 though that for 300,000 --

5 JOHN SWALLOW: I don't know how much it is.

6 JEREMY JOHNSON: It was \$250,000 or 300,000. Nothing
7 happened. Like, literally. There was no meeting, there was
8 no nothing. And if you try and talk to Richard he hangs up
9 the phone. And so I'm like -- and so Scott's just, you
10 know, that's his home.

11 JOHN SWALLOW: Right.

12 JEREMY JOHNSON: He's fried.

13 JOHN SWALLOW: Right.

14 JEREMY JOHNSON: And I'm -- my frustration is -- is --
15 is not geared towards you. I -- I feel like Richard took us
16 to the cleaners. But the problem with Scott is that --

17 JOHN SWALLOW: Yeah. Scott's upset.

18 JEREMY JOHNSON: Yeah. And he's mostly mad at you.

19 JOHN SWALLOW: Yeah.

20 JEREMY JOHNSON: And he wanted to sue you. And the
21 only reason he didn't is I'm like, dude, the only reason you
22 haven't got the same problems as I do is got John. Now, you
23 never said that and I -- I -- I made that lie up to -- to
24 Scott because I thought it was the best thing to do at the
25 time. After talking with Jason I -- that was what I felt

JASON PETERSEN?

7

1 what we should do. And it worked and he's fine. Right now
2 he's not all stirred up, there's no issues, there's no
3 nothing.

4 The thing I'm worried about is the money that paid
5 Richard came from Scott. Eventually, whether I go in and
6 talk to this lady or not, I think they're going to figure it
7 out, if they haven't already, and they're going to track
8 down Scott and say what's -- what's this -- what's this
9 money for and he's going to say --

10 JOHN SWALLOW: He's going to say John told me --

11 JEREMY JOHNSON: John Swallow said we had to send this
12 in. That's the way we get our issue -- FTC issues resolved.
13 Okay. The only reason he would say that is that even now he
14 feels like you got us into this and now we got screwed.
15 You're doing nothing to help us -- him get his money back.
16 And so, to me, if -- if Richard would just give back most of
17 his money, you know, a significant portion that makes a
18 difference to him.

19 JOHN SWALLOW: I think Richard --

20 JEREMY JOHNSON: -- he's got no reason to talk.

21 JOHN SWALLOW: I think Richard gave a small, not all.

22 JEREMY JOHNSON: To who? That person should give it
23 back. I mean, all these people -- I would not in a million
24 years want to have anything to do with any of that money at
25 this point.

1 JOHN SWALLOW: There are lobby groups.

2 JEREMY JOHNSON: What lobby groups? I don't think so.
3 Because I was told it was -- well, you know, exactly what I
4 was told. I just -- the way I'm seeing it, here's the
5 thing. I picture myself where I was. I'm just like you.
6 And I'm like I'm not guilty of shit. So I'm not doing
7 anything, I'm not selling. I'm not doing anything.

8 JOHN SWALLOW: Right.

9 JEREMY JOHNSON: And you see what's happened to me.
10 And I'm telling you they can paint the exact same picture
11 with you, probably even better because you're a politician,
12 exactly. They would love to roast a public official even
13 more than me. Probably the the only one they'd would like
14 to roast more than me is a public official.

15 JOHN SWALLOW: Is a what?

16 JEREMY JOHNSON: A public official.

17 JOHN SWALLOW: Right.

18 JEREMY JOHNSON: And so my point is if I could rewind
19 time and put myself back then, do you know what I'm saying,
20 I would have done things a lot differently.

21 JOHN SWALLOW: Right.

22 JEREMY JOHNSON: I don't know if it's the right thing
23 for me to go in and talk to him or if it's not. I don't
24 know. And the -- and the problem that I'm having is my
25 attorney's pounding on me to give him all this information.

1 I haven't told him shit. He doesn't even know who you are.
2 He's got -- he's seen e-mails from the -- the FBI where
3 they've redacted all the peoples' information. So he wants
4 me to go figure it out. Well, I'm pretty damn sure they're
5 e-mails -- what's that?

ON THE EMAILS THAT FBI HAS
THAT ARE REDACTED?

6 JOHN SWALLOW: It's gotta be me.

7 JEREMY JOHNSON: That's what I'm saying. And so
8 he's -- he's pissed right now at me because I was supposed
9 to meet with him today and I was supposed to have gone
10 through all these e-mails and figured it out. I'm like,
11 dude, there's thousands of e-mails. I haven't figured it
12 out yet. He's like how many public officials do you deal
13 with. I'm like I don't -- I don't know.

14 I want Scott -- okay. Here's the thing. Without
15 Scott, without me worrying about Scott, I feel a lot more
16 secure in whatever it is. Whatever I go in. If I go in and
17 say something or -- you know what I'm saying? I don't -- I
18 don't say something and then Scott says the exact opposite
19 and I look like I'm just trying to hinder their
20 investigation or whatever. I don't think it's a crime for
21 you to tell us that you --

22 JOHN SWALLOW: I don't feel like it's a crime at all.

23 JEREMY JOHNSON: That's right. It's not a crime for
24 you to tell us, you know, this -- this -- giving this money
25 might help our situation. So my thought is yeah, it's true.

1 John hooked us up with --

2 JOHN SWALLOW: With Richard.

3 JEREMY JOHNSON: -- with Richard and we thought this
4 was going to solve our FTC issues. I think they think that
5 somehow you got money from this. That's why I was asking
6 you about RMR Consulting. And so obviously I, you know, if
7 you haven't got any money from RMR Consulting.

THEY'RE GETTING THEIR STORY
DOWN: SWALLOW GOT NO \$\$ IN THE
DEAL

8 JOHN SWALLOW: I haven't either.

9 JEREMY JOHNSON: I sure as hell didn't give you any. I
10 don't think that's going to be an issue. And I -- I think
11 my -- when I say that, I say check out the money I guess,
12 you know, because I didn't give him any and I don't know
13 what RMR is. That's just who they told me to make the check
14 out to.

15 JOHN SWALLOW: Right.

16 JEREMY JOHNSON: And if they go in there and look up
17 RMR, I'm sure they have ways of tracing all other wires in
18 and out. As long as I don't go to you, I don't think -- I
19 think that could potentially hopefully end it for you and
20 you know what I'm saying? And even if I do talk to them,
21 I'm gonna say look, Richard promised this. Richard said
22 we're going to pay some, one of Reid's guys and it was just
23 a big scam. And so in my mind I'm like okay, what is a
24 potential criminal charge. Well, it's probably a wire fraud
25 charge, you know, or I don't know. I mean, I don't know

1 what all the charges could be, but.

\$\$ were WIRED?

2 JOHN SWALLOW: Yeah.

3 JEREMY JOHNSON: But if you take someone's money, you
4 have 'em wire it and it was a fraudulent thing, I mean,
5 unless he legitimately sent it to a lobbyist which I think
6 we both know he damn well didn't.

7 JOHN SWALLOW: I have to disagree with that.

8 JEREMY JOHNSON: You think he really sent it to a lobby
9 group?

*If it went to a
lobbyist, no crime?*

10 JOHN SWALLOW: I do.

11 JEREMY JOHNSON: Because when we pounded him trying to
12 get who it was, he wouldn't tell us.

13 JOHN SWALLOW: I don't know if he was trying to pay
14 that group or what, but I believe he was.

15 JEREMY JOHNSON: Well --

16 JOHN SWALLOW: I just want you to know. You asked me.
17 I mean, I haven't seen him for --

18 JEREMY JOHNSON: I -- I know what you're saying. Okay.

19 JOHN SWALLOW: -- situation.

20 JEREMY JOHNSON: Here's the only thing I'm thinking
21 though.

22 JOHN SWALLOW: Yeah.

23 JEREMY JOHNSON: Because I said -- when we called and
24 said okay, what's going on, you know, that's what he said.
25 He said I engaged a lobby group. Wow. I'm like who is it.

1 I'm going to be in DC. I want to sit down with them and
2 strategize about what we're going to do here. And he's like
3 well, you know what kind of a lobby group I'm talking about.
4 This is a conversation two, whenever, two years ago.

5 JOHN SWALLOW: Yeah.

6 JEREMY JOHNSON: And so that makes me believe that he
7 didn't really give it to a lobby group.

8 JOHN SWALLOW: I don't know.

9 JEREMY JOHNSON: And the problem that's going to happen
10 is you can have Scott telling 'em yeah, Swallow's the one
11 that got us into this, the money goes to RMR, RMR goes to
12 who the hell knows where, some dude connected to Reid, and
13 they'll just put everybody in it.

14 JOHN SWALLOW: Yeah. I just don't know 175. I think
15 he'd have to take it out of his own pocket.

16 JEREMY JOHNSON: Did you talk to them?

17 JOHN SWALLOW: Yeah. I don't know how much he has,
18 yeah.

19 JEREMY JOHNSON: What did he say?

20 JOHN SWALLOW: He said so that's -- he said that's
21 interesting. I think he would consider something. I told
22 him before he'd do something. I just didn't know how much.

23 JEREMY JOHNSON: I think -- I think --

24 JOHN SWALLOW: I was -- I was hoping you'd come back
25 and say something less than that.

IS HE ENTERTAINING SETTLEMENT OF CLAIM FOR
REFUND HERE? JEREMY IS TRYING TO GET \$175K
FROM RICHARD / RMR - SWALLOW DOESN'T THINK
RICHARD HAS THE \$\$ THE NEGOTIATION GOES ON
FOREVER - SCOTT (LEAVITT?) COLLATERALIZED HIS
HOUSE TO PUT \$\$ INTO THE BRIBE/LOBBY DEAL -
\$200K? AND JEREMY \$50K - OR SCOTT \$250K AND
JEREMY \$50K = \$300K - they go back and forth

1 JEREMY JOHNSON: Well --

2 JOHN SWALLOW: Because that makes me think okay, that
3 (inaudible) you know.

4 JEREMY JOHNSON: I don't think -- if you didn't give me
5 any money, he shouldn't get any. I think it's whoever got
6 that money that didn't do a damn thing.

7 JOHN SWALLOW: Yeah.

8 JEREMY JOHNSON: They should say oh, this is going to
9 be a bad situation for me, I better give it back.

10 JOHN SWALLOW: See, I don't even know what -- I don't
11 even know what RMR is (inaudible).

12 JEREMY JOHNSON: I think it was just set up for
13 probably just to get that check. I mean, I don't know, but
14 my -- my attorney said the government thinks this was just a
15 shell corporation set up for your -- some deal you had, and
16 I think they -- think -- they have the e-mail -- I think
17 they have the e-mail about the poker processing and --

SWALLOW DID POKER
PROCESSING?

18 JOHN SWALLOW: What e-mail is that?

19 JEREMY JOHNSON: You sent me -- I gave it -- didn't
20 Powers give you any of the stuff I gave him?

21 JOHN SWALLOW: No.

22 JEREMY JOHNSON: This is why I won't -- this is why I
23 don't want to meet with Powers. So I sit down and meet with
24 Powers in St. George and I says hey, I'm worried that --
25 remember how you were telling me your opponent said they had

1 some e-mail or --

2 JOHN SWALLOW: What e-mail did I give you? You're
3 lawyer sent me the e-mail --

4 JEREMY JOHNSON: No, no, no. You sent me an e-mail
5 that said we're okay to process poker.

6 JOHN SWALLOW: No, I didn't.

7 JEREMY JOHNSON: I'll show it to you.

8 JOHN SWALLOW: I want to see it.

9 JEREMY JOHNSON: I'll show it to you. I gave it to
10 Powers. And so Powers -- and that's what Powers said.
11 Powers told me, he's like John said he never said he's --
12 John told me he told you it's not legal. I'm like dude. I
13 said okay, hang on a second. I went on my computer and I
14 dug through for ten minutes and I printed it out and gave it
15 to him. And I'm like I'm not trying to -- this is the
16 problem with Powers is I don't want to discredit.

17 JOHN SWALLOW: Yeah.

18 JEREMY JOHNSON: Do you know what I'm saying? I don't
19 want to discredit. I don't want --

20 JOHN SWALLOW: I said it's okay to process poker?

21 JEREMY JOHNSON: Yeah.

22 JOHN SWALLOW: In Utah?

23 JEREMY JOHNSON: Yes. And -- and, John, it is -- it is
24 legal.

25 JOHN SWALLOW: No, it's not.

1 JEREMY JOHNSON: There's -- there is no law in Utah
2 that says you cannot process --

3 JOHN SWALLOW: A game with any --

4 JEREMY JOHNSON: -- skilled -- skilled game
5 transactions.

6 JOHN SWALLOW: Any -- with any factor, with any part of
7 a game of chance.

8 JEREMY JOHNSON: You're talking about playing it.
9 Processing it is a different thing. There is no law about
10 processing. And you didn't say it was legal to play it.
11 Your -- your -- I think I said really research the law.
12 I'll show you -- and this is what I'm --

13 JOHN SWALLOW: All right.

14 JEREMY JOHNSON: Okay. This is what I'm really worried
15 about. You don't remember a lot of these e-mails because
16 I'm telling you I know you sent me e-mails talking about the
17 deal with Richard and the money. So I don't want to go in
18 there and be like no, huh-uh. I want to --

19 JOHN SWALLOW: I want to -- I want to analyze texts and
20 e-mails.

21 JEREMY JOHNSON: Okay. I don't have any texts, but I
22 have -- absolutely. I was just given the hard drive. The
23 government took all of our servers. They took all of our
24 e-mail. I don't have any of that shit. The only thing I
25 had was a few that I downloaded onto my Outlook.

1 JOHN SWALLOW: Right.

2 JEREMY JOHNSON: You know, before, but I didn't have
3 them all. I have them all now. So my attorney gave me,
4 he's like you need to go through all these damn e-mails, you
5 know, on the hard drive, 10,000 whatever it is, and I need
6 to see any e-mail of you talking to any politician. And I
7 didn't even know what the hell they're after here, you know.
8 So I'm like uh. But when he mentioned RMR Consulting, I go
9 type into an iWork's ledger that I have, thankfully, and
10 guess what it is.

11 JOHN SWALLOW: (Inaudible.)

12 JEREMY JOHNSON: No. It's this Richard thing.

13 JOHN SWALLOW: Richard?

14 JEREMY JOHNSON: And so he's like well, I talked to --
15 I had talked to my attorney about this poker thing, and so
16 he says the government thinks that this might be tied to the
17 poker processing or something, you sending money to an
18 official to get permission to process poker. Well, there's
19 no way that's going to come out. No matter how hard they
20 try, they're not going to be able to make a case for that.

21 JOHN SWALLOW: For what? Poker processing?

22 JEREMY JOHNSON: Right. That I paid you to send me an
23 e-mail saying that it was okay.

24 JOHN SWALLOW: No.

25 JEREMY JOHNSON: Because, number one, that payment was

1 made a long time ago. Number two, the payment never went to
2 you. You know what I'm saying?

3 JOHN SWALLOW: I do.

4 JEREMY JOHNSON: It went to RMR.

5 JOHN SWALLOW: Oh, yeah. Yeah, I know.

6 JEREMY JOHNSON: It went to try and -- Richard was
7 going to get -- Reid's guy, was going to Reid to go in
8 and --

9 JOHN SWALLOW: All -- that was all designed to get a
10 lobby group hired to take care, try to take care of your
11 deal. So when -- when I look at my involvement? Jeremy,
12 when I look at my involvement, I go there's -- I could even
13 be paid for something like that. There's nothing wrong with
14 that. As long as I'm not interfering with a government
15 agency as a government official, there's nothing wrong with
16 me being involved in it. The only thing I can't do is to
17 practice law.

18 JEREMY JOHNSON: Why? You're a lawyer, aren't you?

19 JOHN SWALLOW: Yeah, but I --

20 JEREMY JOHNSON: Oh. Because you work for the
21 government.

22 JOHN SWALLOW: That's what I'm saying. That's all -- I
23 don't have anything to do with the federal government. I
24 don't -- there's nothing wrong with anything that I've done
25 criminally. Now, politically I go whoa.

1 JEREMY JOHNSON: And -- and here's the thing I'm
2 saying --

3 JOHN SWALLOW: (Inaudible.)

4 JEREMY JOHNSON: This is the only thing -- this is my
5 only -- this is the only thing I worry about. There's
6 nothing wrong with giving somebody a free trial to a product
7 and then billing them with their permission later either.

8 JOHN SWALLOW: I know. But I do.

9 JEREMY JOHNSON: It's just -- it's what it looks
10 like --

11 JOHN SWALLOW: (Inaudible.)

12 JEREMY JOHNSON: Well, I --

13 JOHN SWALLOW: (Inaudible.)

14 JEREMY JOHNSON: I want you to be too or I wouldn't be
15 here, I assure you.

16 JOHN SWALLOW: I --

17 JEREMY JOHNSON: So there's no way Richard's going to
18 give up?

19 JOHN SWALLOW: Well 175? He has 20. I don't know if
20 it's true. He's told me he's given -- he gave most of that
21 money to the guy in Nevada and the guy back in Washington,
22 two guys. So I go okay, so other than the Richard issue
23 he's in it for \$175,000? He goes well, there's not that
24 much left, if there's any left. And then --

25 JEREMY JOHNSON: I think Richard needs to go to those

1 guys and say look, this is going to end badly because
2 there's now an investigation about it.

3 JOHN SWALLOW: Scott -- does Scott really do anything
4 less than 175? I mean (inaudible).

5 JEREMY JOHNSON: I -- I -- let me tell you. Okay.

6 JOHN SWALLOW: I didn't even know if I --

7 JEREMY JOHNSON: He -- he agreed to take 150. I put 25
8 in there because I'm broke as shit too. So at the very
9 worst case scenario I'm telling you 150, but it helps me a
10 hell of a lot if it's 175.

11 JOHN SWALLOW: All right.

12 JEREMY JOHNSON: But I'm telling you I had -- I had
13 to --

14 JOHN SWALLOW: I would take anything.

15 JEREMY JOHNSON: I know you would. I had to work very
16 hard to even get him to take -- to take that.

17 JOHN SWALLOW: (Inaudible.) You gave him 200?

18 JEREMY JOHNSON: 250. So he's already cutting a
19 hundred thousand off of what --

20 JOHN SWALLOW: You gave 50 and he gave 250?

21 JEREMY JOHNSON: That's right.

22 JOHN SWALLOW: It was a total of --

23 JEREMY JOHNSON: Well, it was a total of 250. Or maybe
24 it was a total of 300. I don't remember.

25 JOHN SWALLOW: I don't either.

1 JEREMY JOHNSON: Either he gave 250 and I gave 50 or he
2 gave 200 and I gave 50.

3 JOHN SWALLOW: But I want to make sure this is not
4 sounding like I'm trying to buy this piece.

5 JEREMY JOHNSON: I -- I -- I understand. I just --
6 yeah. Yeah. I -- I think it should be more that it's the
7 right thing to do for the guy that's losing his house. It's
8 the right thing to do. You put money to a thing that didn't
9 work out and he should get at least some of it back and you
10 tried to talk Richard into doing that.

11 JOHN SWALLOW: Yeah.

12 JEREMY JOHNSON: I'll get those e-mails if you want.
13 Okay. So what do I tell my friggin attorney now?

14 JOHN SWALLOW: What's it going to do for you?

15 JEREMY JOHNSON: Well, it's not going to do anything
16 for me. I mean, he says -- what -- what he's telling me is
17 he says dude, you got -- you got an issue here where it's
18 like you're -- you're bribing -- you guys are trying to
19 bribe a United States senator to help you get rid of
20 charges, he says. So for you, Jeremy, what you need to be
21 thinking about is getting immunity from that.

22 JOHN SWALLOW: I don't -- I don't know if that's true.
23 I think you may have a wrong idea. I don't know what the
24 arrangement is, but I think -- I think that they have
25 lobbyists that they pay on retainer.

1 JEREMY JOHNSON: Well, if that's where the money went,
2 that will certainly help the case. But if didn't, you know
3 damn well it's not going to come out good.

4 JOHN SWALLOW: Yeah. I'm not -- but I'm not going to
5 play with fire.

6 JEREMY JOHNSON: Because I -- I -- I read -- when I
7 gave -- when I gave -- I thought I gave all these to Powers.
8 I pulled off a couple of e-mails. I swear --

9 JOHN SWALLOW: Gave them to Powers?

10 JEREMY JOHNSON: I thought I did.

11 JOHN SWALLOW: Okay.

12 JEREMY JOHNSON: Call him if he has them.

13 JOHN SWALLOW: Yeah.

14 JEREMY JOHNSON: If he has them, then I don't want to
15 give them to you again; but if he doesn't, I will give --
16 I'll give you, I'll print off what I can find and give you a
17 copy, but I know there's one in there from you to me saying
18 about Senator Reid's guy.

19 JOHN SWALLOW: Really?

20 JEREMY JOHNSON: Yeah. Because I read it. I'm like
21 uuh, God.

22 JOHN SWALLOW: Really?

23 JEREMY JOHNSON: It's just I -- I realize --

24 JOHN SWALLOW: I will. I'd like to see them. It's
25 been two years.

1 JEREMY JOHNSON: I -- I -- it -- and the problem is I
2 swear there's one in there, the one that's talking about
3 after our meeting.

4 JOHN SWALLOW: Talking about. Will you find it for me?

5 JEREMY JOHNSON: Yes. So in the meeting, you know,
6 thankfully your e-mail doesn't say any of the things that we
7 talked about in the meeting, but in the meeting --

8 JOHN SWALLOW: What meeting? Which meeting?

9 JEREMY JOHNSON: With Richard. I'm telling you you
10 were there. You talked about it in your e-mail. I'll get
11 you the e-mail.

12 JOHN SWALLOW: Yeah, I want to -- I want to see it
13 because --

14 JEREMY JOHNSON: But you were at the meeting.

15 JOHN SWALLOW: -- I remember it differently. Not
16 conveniently differently; just differently.

17 JEREMY JOHNSON: I bring -- I would not take Brady
18 Whittingham to that. I'm telling you that the meeting
19 switched. Brady went to the -- Brady went to the check one.

20 JOHN SWALLOW: Okay.

21 JEREMY JOHNSON: And -- and me and you went to the one
22 about Reid. I'll tell you some things about it if you want.

23 JOHN SWALLOW: Sure.

24 JEREMY JOHNSON: If you want. It might remind you.
25 But, um, this is what helped sell me on the whole thing why

1 it would work is that Richard, you know, when Obama was
2 running for office, he was saying all these things about how
3 he's going to clamp down on --

4 JOHN SWALLOW: Now, Obama ran in '08.

5 JEREMY JOHNSON: That's right. And he was --

6 JOHN SWALLOW: -- in '10.

7 JEREMY JOHNSON: What?

8 JOHN SWALLOW: Obama ran in '08 and our meeting was in
9 '10.

10 JEREMY JOHNSON: That's right. Okay.

11 JOHN SWALLOW: Two years later.

12 JEREMY JOHNSON: Yeah, 2010. And so what Richard is
13 like look, do you remember when Obama was running he was
14 saying he was gonna, you know, clamp down on the abusive pay
15 day lender practices. I'm like actually, I kind of do
16 remember that. He says have you noticed nothing's happened.
17 He says you know why? Because who's the guy he listens to
18 more than anyone is Reid. And so he says we have a
19 connection with Reid and Reid got in Obama's ear and got him
20 to put that off for now and I --

21 JOHN SWALLOW: They have to do it legally through
22 lobbyists.

23 JEREMY JOHNSON: I understand. I'm not saying --

24 JOHN SWALLOW: Okay. I just want you to know --

25 JEREMY JOHNSON: And -- and he -- he was telling me a

1 situation where Reid asked for someone in the company to pay
2 some guy 20 grand a month and the guy did -- well, what I
3 didn't tell you, and I didn't tell Richard, is that I
4 already knew Reid is on the take because I met him at the --
5 with the poker companies. And so I don't know how much of
6 the details you know about this, but I'm going to tell you.
7 It's good information to know.

8 JOHN SWALLOW: Oh, wait. I want to make sure I don't
9 miss the governor's phone call. I may have already missed
10 him.

11 JEREMY JOHNSON: Don't miss his phone call for cryin'
12 out loud. Did you miss it?

13 JOHN SWALLOW: It's okay.

14 JEREMY JOHNSON: So after this meeting the poker guys
15 had me write out -- get a special check from a bank check so
16 it doesn't get traced from their account and give it to some
17 company that I've never heard of before, and we transferred
18 half a billion dollars of their money. They never asked me
19 to do anything like this except this one time. This is
20 right after our meeting with Reid. So I transfer a million
21 dollars to some weird company, one-time deal, that's it.
22 And guess what happens the next week. Reid introduces a
23 bill to make online poker legal. So to me everything
24 Richard's saying --

25 JOHN SWALLOW: Rings true?

MEETING
WITH
REID

LOBBY \$\$ FOR
ONLINE POKER
BILL TO REID?
QUID PRO QUO
REID GETS
JEREMY OUT OF
TROUBLE??

1 JEREMY JOHNSON: -- makes sense. And you can go and
2 verify that he actually did introduce that bill.

3 JOHN SWALLOW: The only thing for me is I just don't --
4 I'm -- I'm not that close to Richard.

5 JEREMY JOHNSON: I -- I know you're not, and I know
6 you're not in the mix here.

7 JOHN SWALLOW: Yeah.

8 JEREMY JOHNSON: Do you know what I'm saying? I
9 understand that. But what I am worried about is I think I
10 can carve you out of it pretty good and still talk to these
11 guys and make everyone happy. Richard, I assume they'll go
12 to him and say we won't press charges against you, but we
13 need to know the deal. But Scott's the wild card because in
14 Scott's mind --

15 JOHN SWALLOW: Well, why would you talk to them anyway?
16 What's in it for you? Are they going to pay your bill?
17 Have you talked to them? Your lawyer must think that
18 there's a deal there.

19 JEREMY JOHNSON: Yeah, he definitely does. I don't
20 need -- I don't -- I don't need a deal on my case for mail
21 fraud. I mean, if they could charge me or have -- go to
22 trial, they would have done it and I know it. And every --
23 and even the judge knows it. In every hearing it's
24 blatantly obvious they have no case.

25 JOHN SWALLOW: Okay.

1 JEREMY JOHNSON: So what likely is going to happen is
2 I'm going to settle with the FTC, agree not to sue 'em, let
3 'em keep everything they've got, which is everything I have,
4 and I think the criminal thing quietly goes away. That's
5 the path that we're going down. I don't know if my attorney
6 is freaked out that I'm going to get some new political
7 corruption charge or if he just wants to take a short cut
8 and have me go in and help them and, you know, it's
9 guaranteed gone away. I don't know.

10 I -- and here's the thing, dude. I was supposed
11 to meet with him today, and so he's pissed off because I've
12 been -- I complained that I don't feel like he does anything
13 on my case. And now he's pounding my ass and I'm like
14 putting him off like crazy and I'm just making excuses and
15 everything else and I -- I think he's kind of excited about
16 helping the government, God knows why, but he's already met
17 with this lady, so. And, shit, I brought -- I have notes in
18 my car that I took from talking to him on the phone. Do you
19 want me to go get 'em?

20 JOHN SWALLOW: I have an idea where they're going.

21 JEREMY JOHNSON: Okay.

22 JOHN SWALLOW: So, very interesting. I -- I feel badly
23 that (inaudible). I'd like to help them all.

24 JEREMY JOHNSON: Okay. Well, see what you can do.

25 I'll -- I'll have a charger for that other phone. I feel

1 better about calling me on the one --

2 JOHN SWALLOW: I don't know (inaudible).

3 JEREMY JOHNSON: Well, go to Wal-Mart and get a \$20
4 phone. I researched everywhere. You can't trace these
5 things because they're not in anyone's name. They're just
6 pay with a credit card or whatever and -- I don't -- I don't
7 know, I didn't want to -- I -- I -- I have no idea if there
8 really is even a payment investigation on me. I'm pretty
9 sure, but I haven't -- haven't confirmed it.

10 JOHN SWALLOW: (Inaudible) politician?

11 JEREMY JOHNSON: Well, I had, I mean, it's, I mean, I
12 had contact with Reid.

13 JOHN SWALLOW: I mean, RMR, that's Richard.

14 JEREMY JOHNSON: Yeah. RMR is Richard. That's right.

15 JOHN SWALLOW: To me that's --

16 JEREMY JOHNSON: Yeah, it is. It is. It is. And
17 they're mentioning stuff about an e-mail, a poker e-mail. I
18 know exactly what e-mail they're talking about. And
19 here's --

20 JOHN SWALLOW: I'd like to see that e-mail.

21 JEREMY JOHNSON: I will give you that e-mail. I'm
22 telling you you're not wrong in the e-mail. You're honestly
23 not.

24 JOHN SWALLOW: When -- when is the date of that e-mail?

25 JEREMY JOHNSON: It was sometime after I talked to you

1 and I gave you those legal opinions. I think all you did is
2 you looked at legal opinion and then you looked at Utah
3 State law, and guess what? There just doesn't -- there is
4 no law on processing poker.

5 JOHN SWALLOW: Right.

6 JEREMY JOHNSON: It's playing.

7 JOHN SWALLOW: Did I say poker, gambling?

8 JEREMY JOHNSON: No, you did not say that. It was
9 strictly the processing of the transactions which is legal
10 under Utah because you just don't want to address it.

11 JOHN SWALLOW: Yeah.

12 JEREMY JOHNSON: You know, if there was 50 banks here
13 processing online gambling, maybe they would make a law and
14 address that, but I'm telling you I'm pretty sure -- I don't
15 think they can make any issue of it unless I paid you to say
16 that, which I didn't, and there's absolutely no evidence of
17 it. So I -- I think part of me. HOUSEBOAT???

18 JOHN SWALLOW: Do they know about the houseboat?

19 JEREMY JOHNSON: What's that?

20 JOHN SWALLOW: Do they know about the houseboat?

21 JEREMY JOHNSON: No. Nobody does. I --

22 JOHN SWALLOW: Is there any paper trail on that?

23 JEREMY JOHNSON: What?

24 JOHN SWALLOW: Is there a paper trail in that area?

25 JEREMY JOHNSON: There's no paper trail on the

1 houseboat, nobody knows about it.

2 JOHN SWALLOW: There's no e-mail, there's no --

3 JEREMY JOHNSON: No e-mails on the thing and no -- my
4 wife doesn't even know you're on there. You went down there
5 for a weekend, and that's it. Okay. And that's not going
6 to come up, that hasn't come up. The issue I think -- this
7 is what I think they're after. I think they saw an e-mail
8 about hey, it's okay to process poker, they see wires going
9 to this thing, they see Reid introducing a pro-poker bill.
10 You know what I'm saying? And they're -- and they're
11 thinking okay, John Swallow and --

12 JOHN SWALLOW: I've done work for Richard.

13 JEREMY JOHNSON: What's that?

14 JOHN SWALLOW: I did do work for Richard.

15 JEREMY JOHNSON: Oh. You've done work for Richard and
16 he's paid you. Oh. Oh.

17 JOHN SWALLOW: So --

18 JEREMY JOHNSON: Did he pay you out of RMR Consulting?
19 I'd go check that. That will be -- if that's the case, I'd
20 rather just I think -- you need to check that. I need to
21 know that because -- **SWALLOW GETS PAID BY RICHARD FOR CEMENT WORK**

22 JOHN SWALLOW: I worked on a cement plant with him. I
23 worked on a cement plant with him in Nevada. Now they've
24 got some land and some poker deal and doing some limestone
25 for a cement factory. I did some work and consulting on

1 that and be paid me, you know, around that same time. I
2 don't --

3 JEREMY JOHNSON: I -- I don't -- go see where that
4 money came from.

5 JOHN SWALLOW: I don't know who RMR is, you know. I
6 just know --

7 JEREMY JOHNSON: I'd ask Richard. Talk to Richard
8 saying dude, what is RMR, did you ever pay me from it.

9 JOHN SWALLOW: Yeah.

10 JEREMY JOHNSON: Will you please talk to these people.

11 JOHN SWALLOW: He may have. He may have paid me.

12 JEREMY JOHNSON: I'm telling you that's going to be a
13 death nail because that's what -- that's what we paid and it
14 just looks like -- I know it's not that way, but that's
15 exactly what it's going to look like and that's exactly
16 how it's gonna --

17 JOHN SWALLOW: Like in March of '11. Was there an
18 interest in that kind of work?

19 JEREMY JOHNSON: March of '11? This -- this would have
20 been paid -- this was paid --

21 JOHN SWALLOW: Even so -- but even so, let's assume
22 that I put you guys together and let's assume that he paid
23 me quickly all together.

24 JEREMY JOHNSON: Okay.

25 JOHN SWALLOW: Okay. What's wrong with that?

1 JEREMY JOHNSON: The problem with it is the e-mail that
2 you sent.

3 JOHN SWALLOW: What -- what about it?

4 JEREMY JOHNSON: You sent me an e-mail about what this
5 money was going to do and how it was going to go to Reid
6 and --

7 JOHN SWALLOW: I did?

8 JEREMY JOHNSON: Yes. I've seen it.

9 JOHN SWALLOW: Give me the e-mail --

10 JEREMY JOHNSON: Okay.

11 JOHN SWALLOW: -- so I can see it.

12 JEREMY JOHNSON: I'll get it.

13 JOHN SWALLOW: It came from me, not from Richard?

14 JEREMY JOHNSON: It came from you. It came from, John,
15 I think at like something like Softwise or something like
16 that.

17 JOHN SWALLOW: Richard's at Softwise.

18 JEREMY JOHNSON: I promise it came from you, John.
19 I'll get you a copy of it. Don't you have it? Can't you
20 pull up your own --

21 JOHN SWALLOW: It said the money would go right to me?

22 JEREMY JOHNSON: No, no, no, no. It said Reid's guy.
23 I don't remember all the exact details, but it was very -- I
24 saw it and I thought I don't think this is illegal. It
25 looks horrible though.

1 JOHN SWALLOW: Yeah.

2 JEREMY JOHNSON: It looks horrible. And so I gave it
3 to Powers. I swear I gave it to him.

4 JOHN SWALLOW: Okay.

5 JEREMY JOHNSON: But maybe I didn't. Maybe I only gave
6 him the one.

7 JOHN SWALLOW: I'll call him.

8 JEREMY JOHNSON: Find out. If not -- I'm going to go
9 through all them.

10 JOHN SWALLOW: Okay.

11 JEREMY JOHNSON: Here's the other problem I have.
12 There's e-mails -- it's not just those e-mails. There's
13 e-mails from me to Scott and Bryce corroborating on this
14 saying hey, I just talked to Swallow, John Swallow, and I
15 know -- I know you guys are nervous and you feel like we're
16 giving up our money, but we should be giving it to
17 attorneys, but he assured me this is what we gotta do, this
18 is going to fix our problems with the FTC. I'm --

19 JOHN SWALLOW: Wow.

20 JEREMY JOHNSON: I haven't checked, but I'm pretty --

21 JOHN SWALLOW: No wonder they're after me.

22 JEREMY JOHNSON: Well, I don't --

23 JOHN SWALLOW: I mean, it's not your fault.

24 JEREMY JOHNSON: I don't know if --

25 JOHN SWALLOW: I'm just saying.

BRYCE WHO?

Jeremy changes his story a lot . . . credibility?

1 JEREMY JOHNSON: I don't know if there's actually
2 e-mails or if they're calls. I know that that is -- that is
3 why -- because that's why I got Scott to give up his house.
4 He wanted to send it to an attorney, and I'm like dude,
5 these attorneys have dug us a frickin' grave.

6 JOHN SWALLOW: Well, if they -- if the F -- if the FBI
7 thinks what it looks like on paper say, then they're going
8 to come hot after me.

CONSCIOUSNESS OF GUILT?

9 JEREMY JOHNSON: Well, maybe that's -- I think very
10 well could be already. That's -- I don't know. Part of me
11 wants to meet with them just for that very fact is to find
12 out what they do know, where they're at, what they're
13 thinking. The truth is I don't -- this is nothing I don't
14 understand too. If you got Reid involved, who gives a shit
15 about you. You're nothing. This is the number one senator
16 in the whole friggin United States.

17 JOHN SWALLOW: Is Reid the politician?

18 JEREMY JOHNSON: It could be. That's what I'm saying.
19 I don't know that it's you. They redacted all the e-mails.
20 My attorney doesn't know. So --

21 JOHN SWALLOW: I'm -- I'm not confident that it's not
22 me they're looking for.

23 JEREMY JOHNSON: I'm not confident it's not you either,
24 but I'm just saying like think of it from a prosecutor's
25 perspective.

1 JOHN SWALLOW: I'm thinking about this too. I'm
2 thinking about this. I just think --

3 JEREMY JOHNSON: And here's another thing. This lady
4 is not under the local people here. She's out of -- her
5 boss is in DC. She's like a wild cowboy. And so in my mind
6 I'm thinking well, what does anyone in DC give a shit about
7 an attorney general in Utah, a potential attorney general in
8 Utah, and --

9 JOHN SWALLOW: She works outside of Utah?

10 JEREMY JOHNSON: She -- she is here in Utah apparently,
11 but her boss is not. That's why Ward and all these guys are
12 on your side. They're not even involved.

13 JOHN SWALLOW: Who is on my side?

14 JEREMY JOHNSON: I'm just saying, you know when I -- I
15 thought it was Ward at first.

16 JOHN SWALLOW: Yeah.

17 JEREMY JOHNSON: I just assumed that because he was my
18 prosecutor and I heard that he wanted to run for AG.

19 JOHN SWALLOW: That's right.

20 JEREMY JOHNSON: So I'm like shit, Ward's trying to
21 drum up some bullshit thing to make Swallow look bad. And
22 you say he's backing me --

23 JOHN SWALLOW: I'm not sure he's backing me any more
24 after this.

25 JEREMY JOHNSON: No. I don't think -- I don't think

WARD?

prosecutor
against
Johnson?

1 you understand. I don't think Ward has any freakin' idea
2 about it. I don't think anyone in the -- because in the
3 local office I think if there was something going on, you
4 would have found out when you talked to Barlow or whatever.
5 So here's the thing. What Nathan told me was this lady does
6 not -- her boss is in DC. She's not in the office here.
7 She's her own thing.

8 JOHN SWALLOW: Well, when I talk to her, I'm going to
9 tell her everything. I mean --

*SWALLOW SAYS HE
WILL TELL ALL*

10 JEREMY JOHNSON: Who? The lady?

11 JOHN SWALLOW: I would tell her, yeah, my involvement.

12 JEREMY JOHNSON: I think -- she tried to call you too?

13 JOHN SWALLOW: No. No. But I have nothing to hide.

14 JEREMY JOHNSON: But this is my thought though. If
15 you're a prosecutor, who --

16 JOHN SWALLOW: I'm not even a prosecutor.

17 JEREMY JOHNSON: No, no, no. I'm thinking -- I'm
18 thinking not even her --

19 JOHN SWALLOW: Her.

20 JEREMY JOHNSON: Her boss or whatever, right? Whoever
21 her boss is who do you want to nail?

*SWALLOW WANTS TO
NAIL HARRY REID*

22 JOHN SWALLOW: The big --

23 JEREMY JOHNSON: Senator Reid?

24 JOHN SWALLOW: Yeah.

25 JEREMY JOHNSON: John Swallow? That is not a hard

1 friggin decision.

2 JOHN SWALLOW: Yeah.

3 JEREMY JOHNSON: And there's a lot of people that want
4 to burn Reid. He has tons of enemies. So to me I feel like
5 they want to get information to show that I was putting
6 money to buy Reid, essentially. I mean, but I don't know
7 that.

SWALLOW AND THE POKER-
LOBBY \$\$ TO HARRY REID

8 JOHN SWALLOW: Do they know about your issue with
9 the -- with the poker transactions with Harry Reid and
10 stuff?

11 JEREMY JOHNSON: They haven't brought anything. I
12 don't think anybody knows that. Honestly, you're the only
13 person in the world I've even told that to.

14 JOHN SWALLOW: So why would they even be thinking about
15 Harry Reid?

16 JEREMY JOHNSON: Well, because it's -- it's in your
17 e-mails.

18 JOHN SWALLOW: Oh.

19 JEREMY JOHNSON: You're -- you spell it out pretty
20 clearly that the money is going to --

21 JOHN SWALLOW: Really?

22 JEREMY JOHNSON: -- influence Harry Reid. And I just
23 feel like -- I -- I feel like -- I feel like --

24 JOHN SWALLOW: What a curious (inaudible) thing for me
25 to say. Wow.

1 JEREMY JOHNSON: That's what it was John. That's the
2 whole thing. Richard had it all set up. It had been done
3 before. Richard had done it.

4 JOHN SWALLOW: Even Richard's probably going to boast
5 about things that aren't necessarily true. I mean, he may
6 have a guy who tells him that. I mean, people pay lobbyists
7 all the time. You're supposed to have close connections.
8 This is -- this is the business of lobbying. Wow.

9 JEREMY JOHNSON: I'll tell you this.

10 JOHN SWALLOW: Yeah.

11 JEREMY JOHNSON: We had a -- we had a meeting with Reid
12 where he said, this is a private meeting. It was Reid, it
13 was me, it was -- remember John Pappas? Remember him, Poker
14 Players Alliance guy? Remember him?

15 JOHN SWALLOW: Oh, yeah.

16 JEREMY JOHNSON: John Pappas and Ray Bitar are the
17 owner of Full Tilt Poker.

18 JOHN SWALLOW: What's that?

19 JEREMY JOHNSON: Owner of Full Tilt Poker.

20 JOHN SWALLOW: Yeah.

21 JEREMY JOHNSON: And I -- and, John, Senator Reid --
22 this is when he -- it was a tight election with this lady
23 down there.

24 JOHN SWALLOW: Yeah.

25 JEREMY JOHNSON: Real tight.

WHO IS WE?
SWALLOW AND
JOHNSON? WITH
REID?

1 JOHN SWALLOW: Yeah. Sharon (inaudible).

2 JEREMY JOHNSON: And -- and he said look, I've polled
3 my constituents and they don't like online poker, bottom
4 line. It's bad for --

5 JOHN SWALLOW: Yeah.

6 JEREMY JOHNSON: It's bad for jobs here in Las Vegas.
7 But I'm going to back what you guys are doing here, I'm
8 going to introduce a bill for you. And that was basically
9 it, right? Well, I kid you not. A week later -- oh, no,
10 no. Right after that. So Reid leaves with his little
11 entourage. Ray Bittar's buddy that flew over here with him
12 from Ireland, I said how in the hell did you guys get him to
13 do that. And he says let's just say he got a little
14 something in his retirement fund. And I was like okay,
15 that's how it is.

16 Well, I'm not kidding you. A week later they have
17 me, and they're specific, we want a bank check drawn on the
18 bank's general account.

19 JOHN SWALLOW: Wow.

20 JEREMY JOHNSON: For a million dollars to some company,
21 some media thing or something. A cashier's check. This
22 money had better not get traced back to our account under
23 any circumstances. So what do I do? Of course, go into the
24 bank, tell them I need to pull this out of the bank's
25 general reserve which is held in their account. I don't

NOW IT'S
A
CASHIER'S
CHECK
BEFORE
IT WAS A
WIRE

1 tell the bank what I'm doing. And I didn't know what I was
2 doing. I was like I don't know, you know. I mean, I
3 suspected obviously.

4 So I -- I believe -- this is my belief. I believe
5 Reid genuinely is on the take. I believe he's getting money
6 for deals all over hell because he's got so damn much
7 influence, and I believe they're onto him. And I think in
8 the grand scheme of things you're a little nugget or a
9 little piece in the puzzle, but --

10 JOHN SWALLOW: I hope so. I hope so. I hope I'm not
11 the big fish or anything.

12 JEREMY JOHNSON: I mean, that's the only thing I can
13 think. Why would -- why would Washington, DC have some
14 person to investigate you. It seems to me like it would be
15 an internal thing for the State of Utah to do it. If there
16 was really some concern.

17 JOHN SWALLOW: Yeah. Well, I'll check with Richard and
18 see.

19 JEREMY JOHNSON: Check with Richard. Check on this RMR
20 thing. I don't want to go in there and say -- I want to
21 tell them -- I don't know. Do I say hey, I didn't give him
22 any idea if it's RMR for this purpose.

23 JOHN SWALLOW: Yeah.

24 JEREMY JOHNSON: If John got some --

25 JOHN SWALLOW: Yeah. I think you should. If you

again
that's
what this
meeting
is about
figuring
out what
the feds
are
looking

1 could --

2 JEREMY JOHNSON: The problem is if you did get money
3 from RMR, it's just going to -- I think it's better that I
4 just --

5 JOHN SWALLOW: (On phone.)

6 I don't know. I'm not smart enough to speak to
7 that to understand that.

8 JEREMY JOHNSON: I have to think that through.

9 JOHN SWALLOW: But I will -- I will say this, Jeremy.
10 I did consulting work for Richard --

11 JEREMY JOHNSON: Right.

12 JOHN SWALLOW: -- a cement project, and I billed him
13 about \$20,000 over a period of several months for my work in
14 Nevada. My job is to work with Indian Tribes then work with
15 people because there was a lime deposit owned by the Indian
16 tribe, the Paiute tribe there.

17 JEREMY JOHNSON: Yeah.

18 JOHN SWALLOW: They worked with an attorney in Las
19 Vegas and an attorney here in Utah to try to put the deal
20 together with and Indian tribe there.

21 JEREMY JOHNSON: And you only got 20 grand?

22 JOHN SWALLOW: Well, the deal didn't get done. But
23 they still got a lot of limestone they're trying to sell
24 (inaudible). So that's over a period of several months, six
25 months.

1 JEREMY JOHNSON: And it was well after -- I mean, I
2 paid -- I paid --

3 JOHN SWALLOW: It came well after. I think I invoiced
4 them sometime in October of '10.

5 JEREMY JOHNSON: Oh. Of '10?

6 JOHN SWALLOW: Probably. And then invoiced for a very
7 small part and I invoiced them for about \$15,000 in March
8 for that. So I just didn't know anything, who paid me,
9 because I don't keep those checks. And they don't pay me.
10 And so --

11 JEREMY JOHNSON: You know how that works, so. Dude, I
12 don't think I should say a damn thing then. Because
13 anything -- if there's actually money going there, they --
14 that's why they need me. They need me to say what did you
15 expect with this money that was transferred. And as soon as
16 I say well, we were going to get Senator Reid to help us
17 with this problem. If they can trace that money going to
18 you --

19 JOHN SWALLOW: Well, I don't -- I don't think that
20 they -- I don't think -- honestly, at the end of the day I
21 thought -- I thought you were -- you were paying Richard
22 money so that he would lobby. He would use his contacts in
23 DC or Nevada for a lobby on your behalf of the FTC. You
24 know, at the end of the day, as I've looked at this as a
25 friend with you, I thought what really probably happened

QUERY:

LOBBY POLITICAL ISSUES

1 here, what really caused the thing to not work, in large
2 number, was it took so long to get it started. Because I
3 didn't get started talking until October by the time they
4 really got engaged in December.

5 JEREMY JOHNSON: Wow. Richard knew -- he knew the time
6 line.

7 JOHN SWALLOW: And I should --

8 JEREMY JOHNSON: This is what pisses me off. He knew
9 the time line.

10 JOHN SWALLOW: -- so late now. We don't -- but I know
11 that (inaudible) til January?

12 JEREMY JOHNSON: No. We tried.

13 JOHN SWALLOW: So we talked to Scott, Jeremy. I really
14 believe that Richard did not destroy you.

15 JEREMY JOHNSON: We've been -- we've been through it
16 with Scott. Truthfully, I don't even bring it up any more
17 because --

18 JOHN SWALLOW: Yeah.

19 JEREMY JOHNSON: Right now everything's fine with him.
20 But if the hornet's nest gets kicked again --

21 JOHN SWALLOW: We'll try with him. But I -- I have a
22 sick feeling in my heart that if it's \$175,000 or
23 \$200,000 --

24 JEREMY JOHNSON: He won't do it.

25 JOHN SWALLOW: -- Richard is not that (inaudible).

1 JEREMY JOHNSON: But you -- you --

2 JOHN SWALLOW: -- had \$40,000,000 somewhere. No. I
3 know. Jeremy, I don't -- *SWALLOW HAD \$40 MIL???*

4 JEREMY JOHNSON: Okay. But here's the thing. You have
5 got to convince -- you gotta tell Richard this is going to
6 be bullshit raining down on his head like he wouldn't
7 believe.

8 JOHN SWALLOW: Uh-huh.

9 JEREMY JOHNSON: It's not worth the money. It's just
10 not worth the money.

11 JOHN SWALLOW: Yeah.

12 JEREMY JOHNSON: I mean.

13 JOHN SWALLOW: If you can get me that e-mail.

14 JEREMY JOHNSON: I will. I will give you the e-mail.

15 JOHN SWALLOW: Because I need to show that e-mail to
16 Richard if you'll just get it for me.

17 JEREMY JOHNSON: All right. I'll get it for you, print
18 it off when I get home. And I've -- I've got to come back
19 up here next week, so.

20 JOHN SWALLOW: I wish you could just (inaudible).

21 JEREMY JOHNSON: Well, that's why go get a friggin
22 Wal-mart phone. *BACK TO THE BURNER PHONE*

23 JOHN SWALLOW: I know.

24 JEREMY JOHNSON: And so if you find out something, text
25 me, say --

1 JOHN SWALLOW: I don't want you on the stand perjuring
2 yourself. Did you (inaudible).

3 JEREMY JOHNSON: Let me tell you something. The good
4 thing about my situation nobody's getting me on a stand
5 anywhere. I take the Fifth for everything.

*jeremy
takes the
5th for
everything*

6 JOHN SWALLOW: Oh, you do?

7 JEREMY JOHNSON: Yeah. Why would -- I have all the
8 reason in the world. Hi, I am under indictment. They
9 weren't even asked. They had a grand jury convene for a
10 year. They had a hundred people in there.

11 JOHN SWALLOW: That's (inaudible).

BURNER PHONE

12 JEREMY JOHNSON: I know. I know. Get a Wal-Mart
13 phone, text me, say hey, call me when you get a minute.

14 JOHN SWALLOW: Is that the 310 number? Is that 310
15 number you're using?

16 JEREMY JOHNSON: Text the 310 number, and I'll -- if I
17 don't respond, text my other number, say call me when you
18 get a minute and I'll call you on the -- I'll call you on
19 the 310.

20 JOHN SWALLOW: That's the 310 number.

21 JEREMY JOHNSON: What's that?

22 JOHN SWALLOW: (Inaudible.)

23 JEREMY JOHNSON: Dude, let me tell you something.

24 JOHN SWALLOW: You don't have anything to lose.

25 JEREMY JOHNSON: I -- I -- if I -- if I felt like I --

JEREMY: I COULD
BURY YOU, BUT
YOU'RE GOING TO
BE THE AG

1 I could bury you easy because I could just team up with
2 Scott and say yeah, John got us into this and everything
3 else, piece of cake, I wouldn't be here.

4 JOHN SWALLOW: I know and it means the world to me.
5 When this is done, who knows where I am.

6 JEREMY JOHNSON: I know.

7 JOHN SWALLOW: I may be somewhere else.

8 JEREMY JOHNSON: You'll be the AG and I'm glad for it.

9 JOHN SWALLOW: I don't know --

10 JEREMY JOHNSON: Oh, for sure you will.

11 JOHN SWALLOW: I don't know. At this -- at this
12 point with this stuff hanging over my head?

13 JEREMY JOHNSON: It's not hanging over your head.
14 That's the thing.

15 JOHN SWALLOW: Maybe.

16 JEREMY JOHNSON: Well --

17 JOHN SWALLOW: I don't even know what those guys have
18 the power to do. Do they have the power to go to Richard
19 and get his e-mails?

20 JEREMY JOHNSON: No. Not without -- well, you might
21 tell Richard to delete shit off -- to be wary that there
22 could be an investigation and if there's anything on his
23 server that he doesn't want the government to have to --

24 JOHN SWALLOW: Can't they go to the Internet service
25 provider.

1 JEREMY JOHNSON: No. No. None of that's stored on
2 ISPs.

3 JOHN SWALLOW: What's that?

4 JEREMY JOHNSON: None of that is stored on ISPs. It's
5 all stored on Richard's server. And I -- you know from your
6 e-mail to me, I'm 90 percent sure it came from
7 john@softwise.com which means Richard has it housed.

8 JOHN SWALLOW: Housed somewhere?

9 JEREMY JOHNSON: Something at softwise.com.

10 JOHN SWALLOW: Yeah.

11 JEREMY JOHNSON: Which means Richard -- if that's
12 Richard's company, which I believe it is --

13 JOHN SWALLOW: Yeah.

14 JEREMY JOHNSON: -- he's got it housed somewhere. He
15 can go in and hit Delete. Even Gnote. Nobody stores --
16 nobody stores e-mail. There's too -- there's too much. And
17 the government can't send a subpoena to Gnote give us all
18 the e-mails for this thing.

19 JOHN SWALLOW: I think they can do it.

20 JEREMY JOHNSON: They don't store them. They don't
21 have them. But in my case they have mine because they
22 physically went into the office and grabbed the server.

23 JOHN SWALLOW: I need to see those e-mails.

24 JEREMY JOHNSON: I'll get them. I will get them.

25 JOHN SWALLOW: I want to know what I'm doing.

1 JEREMY JOHNSON: All right. I will get them. Get --
2 get a Wal-Mart phone. *burner phone*

3 JOHN SWALLOW: I can't believe I sent you e-mails.

4 JEREMY JOHNSON: At the time you were helping us.

5 JOHN SWALLOW: I know.

6 JEREMY JOHNSON: I mean --

7 JOHN SWALLOW: I really tried to help.

8 JEREMY JOHNSON: I know. And so I'm not -- believe me.
9 I'm not eager to --

10 JOHN SWALLOW: I don't know where (inaudible), where it
11 came from.

12 JEREMY JOHNSON: Well, I think -- I think it's -- I
13 think it's an important key, because if it happened to come
14 from that same thing, it's a -- it's -- it's bad because all
15 they need from me is for me or Scott to come in and say this
16 money was for this and then it shows it going to you and
17 you're hooked in. And the reality is even if they -- even
18 if they indict you or try and bring you to a trial, they'll
19 probably lose. *IS JEREMY THREATENING SWALLOW? KINDA HAS THAT TONE . . .*

20 JOHN SWALLOW: Yeah.

21 JEREMY JOHNSON: But they'll wreck your life in the
22 process.

23 JOHN SWALLOW: I know.

24 JEREMY JOHNSON: They will destroy you. You'll be a
25 pariah just like me, so.

1 JOHN SWALLOW: It's okay.

2 JEREMY JOHNSON: It's not okay. I -- I wouldn't wish
3 this on my worst enemy. I honest to God wouldn't. I'm
4 okay. I'm a strong person and I can handle it and I'll
5 bounce back, but I wouldn't wish this on anyone. It's
6 complete bullshit.

7 JOHN SWALLOW: I'm a lawyer.

8 JEREMY JOHNSON: What's that?

9 JOHN SWALLOW: I'm a lawyer. What else can I do if I
10 can't be a lawyer?

11 JEREMY JOHNSON: I don't know. I think -- look --

12 JOHN SWALLOW: (Inaudible.)

13 JEREMY JOHNSON: I think we're getting to a point now
14 where we're talking about a pretty extreme thing. I don't
15 feel like -- I feel like we're reaching. But I thought that
16 in my case a thousand times that every time it can't get
17 worse, it does. You know, they sued me civilly. Fine. I
18 don't give a damn. I'm off to Costa Rica. I'm going to fly
19 helicopter tours for a living. I live in paradise. Boom,
20 you know. And you saw what they turned that into. Oh, he's
21 trying to flee the country. He's got gold buried
22 everywhere. All right.

23 JOHN SWALLOW: Okay. Thanks.

24 JEREMY JOHNSON: All right. I'll get the e-mails, you
25 talk to Richard, get a Wal-Mart phone and call me.

1 JOHN SWALLOW: I will. (Inaudible) I want to do what's
2 best for you, but I mean, I just --

3 JEREMY JOHNSON: What's --

4 JOHN SWALLOW: I'm just -- I'm really vulnerable.

5 JEREMY JOHNSON: Well, I know, and that's why I'm here.
6 I mean, I -- part of me wants to go talk to them and explain
7 this thing away. What I don't want to do is pull out some
8 e-mail and say what about this.

9 JOHN SWALLOW: Well, at the end of the day, I mean, at
10 the end of the day I felt the FTC was screwing you.

11 JEREMY JOHNSON: That's right.

12 JOHN SWALLOW: I wanted to help you with them.

13 JEREMY JOHNSON: That's right.

14 JOHN SWALLOW: I knew I couldn't do it myself.

15 JEREMY JOHNSON: That's right.

16 JOHN SWALLOW: And so I lined you up with Richard.

17 JEREMY JOHNSON: That's right.

18 JOHN SWALLOW: I thought it would help you. I think
19 what happened to Richard is he thought it would help you.
20 And then -- I'm just telling you what I think.

21 JEREMY JOHNSON: I know.

22 JOHN SWALLOW: And then all hell broke loose in the
23 case.

24 JEREMY JOHNSON: Right. And there's nothing anyone
25 could do.

SWALLOW'S
OPINION OF
THE FTC
ACTION

1 JOHN SWALLOW: And there was nothing anyone could do.

2 JEREMY JOHNSON: Yeah. I don't disagree with that.

3 JOHN SWALLOW: And I do believe my life on it he sent a
4 lot of that money off.

5 JEREMY JOHNSON: He probably did.

6 JOHN SWALLOW: Probably sent it all off.

7 JEREMY JOHNSON: He probably did. I don't -- I
8 wouldn't be concerned about what Richard did with the money.

9 JOHN SWALLOW: Yeah.

10 JEREMY JOHNSON: I would find out for damn sure if you
11 ever got paid from RMR. I think that's important to know,
12 for me at least, because if I go in and say a bunch of stuff
13 about RMR --

14 JOHN SWALLOW: Yeah.

15 JEREMY JOHNSON: -- and what that money was sent for,
16 even though -- even though I know damn well we never paid
17 you anything to hook us up on this Reid deal, that's exactly
18 the picture they'll be able to paint. They will be able to
19 get an indictment, they will flash that out in the news, and
20 it will be a nightmare. It doesn't matter if that's the
21 truth or not.

22 JOHN SWALLOW: Well, then give me some kind of
23 (inaudible).

IS SWALLOW ASKING JEREMY

JOHN SWALLOW: Do you think they need you --

JEREMY JOHNSON: Yes.

JOHN SWALLOW: -- to make that connection?

JEREMY JOHNSON: How would they be -- why would they be
pounding my lawyer, willing to cut whatever deal to get me
to sit down and talk to them about these transactions?
There's no other reason. So if they had it, they'd --
they'd indict you now. They'd make a huge mess of your
life. I don't -- I'm telling you when it comes back to the
thing at the end of the day, they give a shit about you. I
think they want to -- I think they want Reid. I mean, look
at it how much momentum do the Republicans have right now?

JOHN SWALLOW: When you got a Democratic president, a
Democratic administration, a Democratic Majority Leader, I
don't think they want to take their own guy down.

JEREMY JOHNSON: And -- and the tide is changing on
that, and who would be the hero? The prosecutor that comes
in and exposes this corrupt thing with Reid and Obama. It
would be disastrous for the Democrats. Disastrous.

JOHN SWALLOW: I think I'm their target.

JEREMY JOHNSON: Well, we'll look at the e-mails and
you can make that decision.

JOHN SWALLOW: I think we should -- I think Richard
wasn't about -- that it wasn't about that deal. Gingrich

3 And I would -- and I would say that too, but --

4 JOHN SWALLOW: Don't need that. That still gives

5 that --

6 JEREMY JOHNSON: But they have plenty -- if I say -- if
7 I say I sent money to RMR for this purpose and then they can
8 find out that you got paid from RMR, that's all they need.
9 Doesn't matter what anybody says. They can get an
10 indictment on that I know for a fact. They can get an
11 indictment on something less than that if they want, but
12 they can get an indictment and have an okay case with that.
13 Did you not have any of your e-mails?

14 JOHN SWALLOW: I don't keep my e-mails.

15 JEREMY JOHNSON: Okay. Good. I wish I didn't keep
16 mine either, believe me.

17 JOHN SWALLOW: I've deleted them all after a year.

18 JEREMY JOHNSON: Okay.

19 JOHN SWALLOW: I don't have anything to look at.

20 JEREMY JOHNSON: I would -- I would definitely talk to
21 Richard about that issue.

22 JOHN SWALLOW: Okay. I will.

23 JEREMY JOHNSON: Because he shouldn't keep them either.
24 It's -- it's -- if I ever go in business again, I'll have
25 the thing that deletes my frickin' e-mails every month. You

1 know something though? Do you know what's helping me in my
2 case big time, why they aren't going to court? Because
3 there are no bad e-mails for me. But I know that's what
4 they're trying to build their whole case on, but almost all
5 my e-mails are hey, I don't give a shit about how much we're
6 making. We're doing this right and you know what I'm
7 saying? I'm telling you they're all like that. Even if
8 they have one or two that are a little, you know, not per --
9 not good, not -- not shed light, there's so many that we're
10 clearly trying to do the right thing.

11 JOHN SWALLOW: Yeah.

12 JEREMY JOHNSON: You know.

13 JOHN SWALLOW: I went down there.

14 JEREMY JOHNSON: That's right. And Mark -- hey, by the
15 way, I talked to Mark. He's awesome.

16 JOHN SWALLOW: You know, I thought -- I thought this
17 was about something else. I've been thinking about this. I
18 didn't think it's about RMR.

19 JEREMY JOHNSON: It is. I -- I have it -- I wrote RMR.
20 There's --

21 JOHN SWALLOW: It's the last thing in the world I would
22 have thought.

23 JEREMY JOHNSON: Well, I think it -- I think they might
24 think there's a connection with poker because he asked about
25 it. He says did you pay RMR. Did that somehow have

1 something to do with you getting an e-mail about it's okay
2 to process poker. And I'm like absolutely not, Nathan.
3 He's like are you sure.

4 JOHN SWALLOW: This is your lawyer asking you this?

5 JEREMY JOHNSON: Yeah. He says well, what's this,
6 what's this, what's this. I'm like Nathan, I don't know. I
7 don't even know what these e-mails are. And so I'm supposed
8 to be digging through and meeting with him and going over
9 these e-mails, and he's going to go back, talk to the agent,
10 work out some kind of a sweetheart deal for me, and then I'm
11 supposed to go tell them everything they want to hear.
12 That's what's shaping right now. I'm fine to tell them to
13 go screw themselves.

14 JOHN SWALLOW: Let me tell this. What if you were
15 saying I wouldn't be surprised if John got something out of
16 that, if he did?

17 JEREMY JOHNSON: Well, think about that.

18 JOHN SWALLOW: Okay.

19 JEREMY JOHNSON: Think -- think through all these
20 scenarios. Let me get the e-mails, and let's -- I'll meet
21 you when I come back up here.

22 JOHN SWALLOW: Okay.

23 JEREMY JOHNSON: Think of these scenarios.

24 JOHN SWALLOW: I've been asking myself this one
25 question. If I got a finder, a finder fee (inaudible) --

1 JEREMY JOHNSON: Right.

2 JOHN SWALLOW: -- where does that public official,
3 trying to make a worst case scenario.

4 JEREMY JOHNSON: Sure.

5 JOHN SWALLOW: What -- what laws are broken like this
6 (inaudible) for you to have someone to work with the FTC?

7 JEREMY JOHNSON: I think you need to not focus on the
8 laws that you've broken.

9 JOHN SWALLOW: Right.

10 JEREMY JOHNSON: And focus more --

11 JOHN SWALLOW: Day to day --

12 JEREMY JOHNSON: -- how they can make it look.

13 JOHN SWALLOW: I know. But at the end of the day I
14 don't want to be a felon.

15 JEREMY JOHNSON: You won't. You won't be a felon no
16 matter what. At the end of the day, John, I'll be on the
17 stand testifying that you had plenty of opportunity to get
18 money out of me for favors and you never tried once ever.
19 Ever.

20 JOHN SWALLOW: I hope so. That means all the people I
21 raised money for.

22 JEREMY JOHNSON: That's right.

23 JOHN SWALLOW: I didn't raise the money for me.

24 JEREMY JOHNSON: Between -- and -- and you know I
25 don't -- Carlie Christianson has an ax to grind.

*at the end of

3 don't know. What's her problem?

*OH MARK

4 JOHN SWALLOW: I don't know.

5 JEREMY JOHNSON: She started all this bullshit. She
6 started a thing like a long time even before this trying to
7 show that I was trying to -- some investigation about me
8 maybe making improper payments to **Mark** or something. You
9 know what's funny about that? Neither you or Mark has ever,
10 ever asked me. You help -- you asked me to help raise the
11 money for guys that I like and I support today.

12 JOHN SWALLOW: Governor Herbert.

13 JEREMY JOHNSON: That's right. Governor Herbert, all
14 these good people. You know what Mark asked me money for?
15 Meth Cops Project. You know what I'm saying?

17 JEREMY JOHNSON: **Meth Cops Project. He never asked**

19 **ask me for that. I liked Mark because of the work he did**
20 **with us on the Lost Boys and that's -- I gave it to him**
21 **without him ever asking.** I think he realized what a nice
22 guy this is, I didn't even ask for this, I didn't have to
23 work for it, he just helped me out.

24 JOHN SWALLOW: Right.

25 JEREMY JOHNSON: And I told Mrs. -- I -- and he knows I

1 was doing good things with the Lost Boys and AED and
2 everything else, so he knows I'm a guy that will support
3 things. You know what he did for me too?

4 JOHN SWALLOW: What did he do?

5 JEREMY JOHNSON: He forgot all about it. One of the
6 girl -- remember that little girl that had -- she couldn't
7 eat?

8 JOHN SWALLOW: Couldn't what?

9 JEREMY JOHNSON: That little girl that couldn't eat.

10 JOHN SWALLOW: Yes. Remember that?

11 JEREMY JOHNSON: Yeah.

12 JOHN SWALLOW: That's what I remember.

13 JEREMY JOHNSON: These are the kind of things that --
14 that -- that we did, and there could have been a thing
15 like -- and I said hey, John, I've got a hundred thousand
16 dollars I'm ready to give this girl right now.

17 JOHN SWALLOW: And I could have said --

18 JEREMY JOHNSON: And you could have said hey, give me
19 20 of that and I'll get I, whatever, ICH to cover it.

20 JOHN SWALLOW: Yeah.

21 JEREMY JOHNSON: Guess what? You -- you made it happen
22 even without -- you didn't ask for a dime. You made it
23 happen with nothing. You were happy to do it.

24 JOHN SWALLOW: I know.

25 JEREMY JOHNSON: And so don't get into a paranoia state

1 because I had this happen to me too where I like second
2 guessed everything I did and your motives. You know your
3 motives and you know your intentions, and you know you're
4 honest and a good person.

5 JOHN SWALLOW: Right.

6 JEREMY JOHNSON: So don't start thinking worse
7 scenario, worst case scenario like I did. I'm just -- I
8 want to make sure that they can't paint a picture.

9 JOHN SWALLOW: Yeah. I'm worried about RMR.

10 JEREMY JOHNSON: I am too and I need to find out. I'm
11 going to get the e-mails, you're going to talk to Richard.
12 Please try and get him to pay the 175. SETTLEMENT \$\$ TALK

13 JOHN SWALLOW: I will. I'll do everything I can.

14 JEREMY JOHNSON: It will make my life immensely better.

15 JOHN SWALLOW: Because I think I can get that done. I
16 really do. I think it will be a blessing from him. I don't
17 know I can get 175.

18 JEREMY JOHNSON: You try for 175.

19 JOHN SWALLOW: I will. I'll do my darnedest. BURNER PHONE

20 JEREMY JOHNSON: And -- and I'm going to be looking for
21 E-mails. I'll get my phone charged, you get a phone, call
22 me, text me on the phone.

23 JOHN SWALLOW: I will.

24 JEREMY JOHNSON: Whatever you -- if you do 175, great.
25 I think it makes a lot of relief on the situation. If it's

1 a less amount tell me what it is, I will do my best.

2 JOHN SWALLOW: Okay. I will.

3 JEREMY JOHNSON: And then I want to -- before I meet
4 with these guys, before I talk to my attorney, I want to sit
5 down and go through these e-mails.

6 JOHN SWALLOW: Okay. And I'm available all week. I'm
7 here.

8 JEREMY JOHNSON: Okay.

9 JOHN SWALLOW: I just want to know somewhere where we
10 can meet.

11 JEREMY JOHNSON: A park, wherever. I don't care.

12 JOHN SWALLOW: Okay.

13 JEREMY JOHNSON: I'm -- I'm -- I'm --

14 JOHN SWALLOW: Do you know who's tailing me? I don't
15 know if Sean Reyes is doing it or -- I don't know --

16 JEREMY JOHNSON: I'm scared to death of our phones. No
17 reason to except for, you know, I had a friend that was in
18 the DEA and I said how do they catch all these freakin'
19 guys. He's like you want to know how. Wire taps. Always.
20 He says if you're ever doing something you don't want the
21 government to hear, don't say it on the phone, don't say
22 send it in an e-mail. Face to face, so.

23 JOHN SWALLOW: That's great. That's why --

24 JEREMY JOHNSON: Okay. Thank you. Sorry. I mean,

JOHN SWALLOW: Thank you.

JEREMY JOHNSON: Okay.

JOHN SWALLOW: Thank you.

JEREMY JOHNSON: Hang in there. I'm getting doughnuts to take home with me because we don't have one of these in St. George.
