

S

Safety First

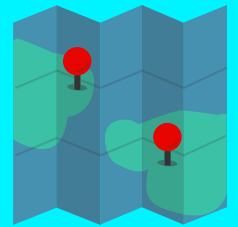

Don't give out your personal information to people or companies you don't know

M

Meet & Mingle

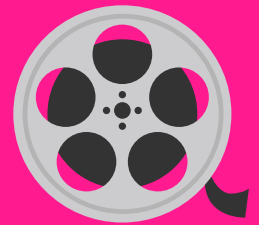

It's dangerous to meet up with someone you've only had contact with online. Tell someone you trust before meeting.

A

Assess B4 Accept

Accepting emails, files, text and pictures from people you don't know can be harmful.

R

Reliability

Not everything on the Internet is truthful. Make sure to check the source of the information before accepting it as fact.

T

Talk About it

Tell an adult if someone or something makes you feel uncomfortable.

**I have read this Internet Safety SMART Pledge
with my parents and promise to follow it.**
