Covid-19 Precautions

Face Coverings

To ensure the continued health and safety of all attendees, and to maintain compliance with venue requirements, everyone in attendance must wear face coverings. If you are unable to wear a face mask, then a face shield must be worn. There will be a limited quantity of face masks at the venue available for purchase. Please plan accordingly.

Please note that there are **NO EXCEPTIONS** to this requirement.

High-Risk Attendees

We love having as many spectators as possible at our races; however, due to the seriousness of COVID-19, we must ask that those with pre-existing medical conditions which may make them susceptible to COVID-19, or those who are unable to wear face coverings due to a medical condition, not attend any of the races this season.

All student-athletes and coaches should complete the symptom checklist prior to arriving at the venue. Temperature checks will be taken by coaches and documented as racers check in at the team tent.

COVID Precaution Plan

Race Course Overview

Course: 7.28 miles, 550 ft elevation gain

Course Description (yellow line): Welcome to the Desert Canyons Utah High School Cycling State Championships course! This venue is the league's most ambitious course to date and is the longest course we've ever made. As we all know, everything is bigger in Utah! (Don't tell Texas, or Ginger for that matter...) This course was developed in conjunction with a private landowner (Yay!) and the Utah league. We took some amazing existing loops and were able to tie them all together into one BIG loop. Are you ready for this? The course is 7.28 miles long and has about 550 feet of climbing per lap! The start is wide and flat, but very quickly throws in a punchy climb before narrowing down to

singletrack after about a mile. Get in a good position early because passing options may be limited for the next few miles. We included the Pushing Tin loop, which has a fun climb and some technical rocky sections. They will test all of the bike handling skills that you've built upon this year. As the trails head back to the main venue, there are actual bridges to cross! You'll also get another good passing spot, but it's over before you know it; act quick! We linked in the Secret Sauce trail, which has some really good flow to it, both up and down. The sprint to the finish is on a wide, new dirt road that will give you plenty of room to get that spectacular photo finish. As the State Championships are the ultimate test of our student-athletes, we know you are up to the challenge of a difficult, but rewarding, course.

Awards Ceremony

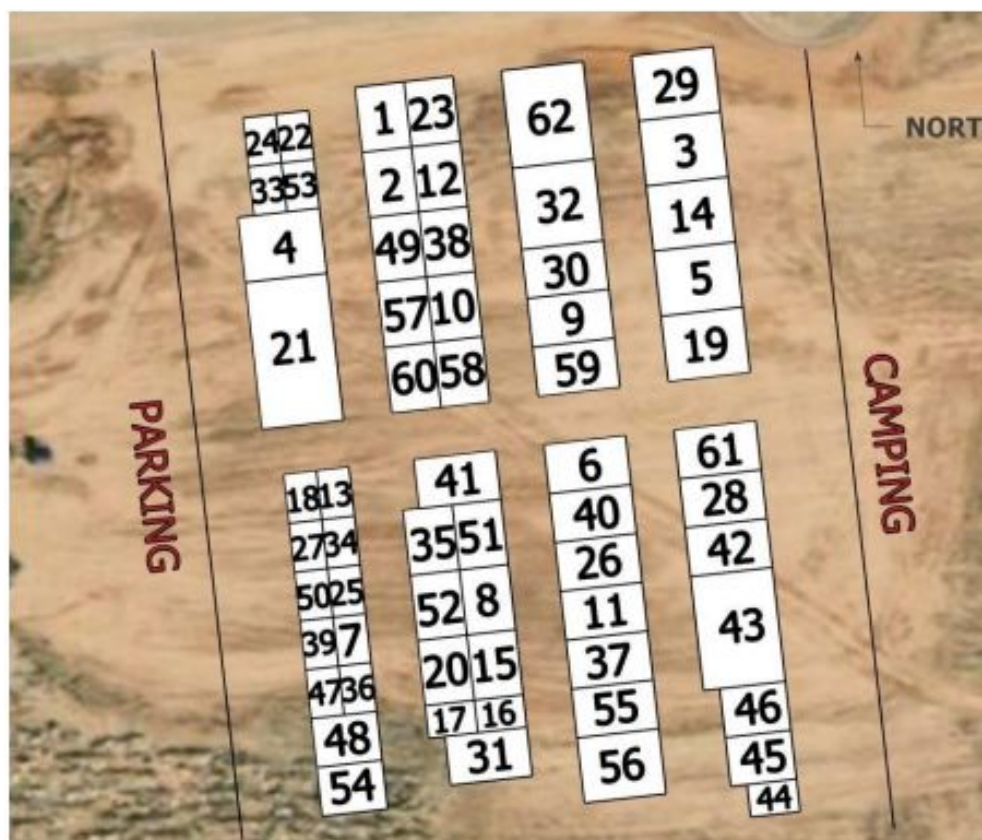

Due to the statewide increase in COVID-19 positive tests and constraints from Dixie State University and the health department, we changed the location and format of our end-of-season awards ceremony. We will conduct the awards ceremony at the race venue on both Friday and Saturday beginning approximately one hour after the final rider of the day crosses the finish line.

Friday, Oct 23 - No earlier than 5:00 p.m. - Awards Ceremony for all categories that raced on Friday.

Saturday, Oct 24 - No earlier than 5:30 p.m. - Awards Ceremony for all categories that raced on Saturday, Team Championship Awards, Sponsor Spirit Awards and Board of Director's Scholarship Awards. Attendees are encouraged to bring their own chairs to the ceremony.
