

SNOW CANYON PARKWAY CHIP SEAL MAINTENANCE

NORTHSIDE - SUNDAY, MAY, 21;
SOUTHSIDE - SUNDAY, JUNE 4,*

Chip seal maintenance operations are scheduled for Snow Canyon Parkway from The Cliffs to SR-18. The road will be impacted on Sundays, May 21 and June 4 from 6:30 a.m. to 4:00 p.m. On May 21, traffic will be shifted to the southside lanes of Snow Canyon Parkway while crews complete chip seal improvements on the northside lanes. On June 4, traffic will be shifted to the northside lanes and crews will finish chip seal operations on the northside. **Only signalized intersections will be fully functioning.** (See map)

AVOID SNOW CANYON PARKWAY - IF POSSIBLE USE ANOTHER ROUTE
